Everyone surrounds me
No place left to go

And something's always out there
Waiting in the shadows
Hiding underneath the stairs
My panic tells me where to go.

I always feel like something,
Something's always wrong.

Soething's always out there.
Waiting in the shadows.
Hiding underneath the stairs.
My panic tells me where to go.

Do you ever get that feeling,
When you leave a room?

Like something's always out there.
Waiting in the shadows.
Hiding underneath the stairs.
My panic tells me where to go.

I feel inside, like I'm gonna die.
I feel inside, I don't want to die.
I feel inside
I feel inside
