As I sit alone, I wonder how you feel.
When you call me...
Then I look around, all I see are memories.
What do you see?
What do you see?

With your upside down,
You feel tossed, your feet up off the ground.
When your inside's out,
Your heart beats loud, you can hear it's sound.

I open up to you, let you know what I think.
Your eyes roll round and round,
I pour myself another drink.
Is this working?
Is this working?

If your upside's down,
You feel lost your feet fly off the ground.
When your inside's out,
Your heart beats so you can hear it's sounds.
If your upside's down,
You feel lost your feet fly off the ground.
When your inside's out,
Your heart beats so you can hear it's sounds.
