(Verse 1)

She's taking her time making up the reasons  
To justify all the hurt inside  
Guess she knows from the smiles and the look in their  
eyes  
Everyone's got a theory about the bitter one  
They're saying  
Mama never loved her much  
And daddy never keeps in touch  
That's why she shies away from human affection  
But somewhere in a private place  
She packs her bags for outer space  
And now she's waiting for the right kind of pilot  
To come (and she'll say to him)  
She's saying

(Chorus)

I would fly you to the moon and back  
If you'll be if you'll be my baby  
Got a ticket for a world where  
We belong  
So would you be my baby  
Ooh-ooh

(Verse 2)

She can't remember a time  
When she felt needed  
If love was red then she was colour-blind  
All her friends they've been tried for treason  
And crimes that were never defined  
She's saying  
Love is like a barren place  
And reaching out for human faith is  
Is like a journey I just don't have a map for  
So baby gonna take a dive and push the shift to  
overdrive  
Send a signal that she's hanging all her hopes on the  
stars

(What a pleasant dream) just saying

(CHORUS x2)

Mamma never loved her much  
And daddy never keeps in touch  
That's why she shies away from human affection  
But somewhere in a private place

She packs her bags for outer space  
And now she's waiting for the right kind of pilot  
To come (and she'll say to him)  
She's saying  
(REPEAT CHORUS TWICE)
