Do or die
That is the question
Truth or lie
Locked in contemplation
Tears in my eyes
Years in isolation
Do or die
Watch me while I fly
Now let me say
Do or die
Do or die
Yeah

Laying low
Lurking in the shadows
Ice and snow
Chills me to the bone
You and I
Know just what we're after
Do or die
Do or die
Do or die
Now let me say
Do or die
Share(?)

Hey, oh, oh
Do or die
Came "deja vu" before me
Growing wild

To the badlands of my soul
From my sight
Dreams of life that bore me
Now that it's right
Watch me while I fly
Now let me say
Do or die
Do or die
Come on, baby
Do or die

Do or die
Do or die
Yes sir
Do or die
Do or die
Set me free
Ahhh!
Do or die
Do or die
Come easy, baby
Do or die
Do or die
You're anywhere
Do or die
Yes sir
Do or die
Do or die
Do or die
Do or die
