I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave
