I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm so common  
So common  
On your grave  
On your grave  
I'm.....  
Dancing madly backwards  
Dancing on a sea of air  
Dancing madly backwards  
Dancing on a sea of air  
Dancing madly backwards  
Dancing on a sea of air
