It's true you have me twisted round your finger and it  
seems that's where I belong  
You know how to hold me to thrill me and control me  
Just enough to keep me hangin' on

For now tomorrow and forever I guess I'm tied to you  
right or wrong  
My love keeps a growing cause your love keeps a  
showing  
Just enough to keep me hangin' on

A love that's strong as mine will make me do most  
anything  
Like hiding tears and heartaches and dreaming silly  
dreams  
You've got me where you want me you keep stringing  
me along  
Just enough to keep me hangin' on just enough to keep
