### CHORUS

I've been down one time  
I've been down two times  
But now I'm drowning, drowning in the sea of love

Let me tell ya all about it  
I've been out here so very long, I've lost all my direction  
Baby when you came my way I thought I'd found my  
protection  
But a strong wind came into my life, surely took me by  
surprise  
& I can't seem to control these tears that's falling from  
my eyes

Listen to me  
Baby I depended on you, for a love & affection  
But now you gone and deserted me, can't you see that  
I'm in desperation  
I'm in the middle of a bad love storm, ew yeah I just  
can't let it boy I  
Looked around and all I could see, was water coming  
over me

All I do is cry, all I do is walk around and cry  
But right now I'm drowning, oh I'm drowning in the sea  
of love

But that's alright, I don't mind drowning for your love  
That's alright baby, hear me when I say it's alright  
You got the kind of love that make me feel alright  
You got the kind of love baby that make me cry all night  
long  
You got the kind of love baby make me do things I  
don't wanna do  
And it's alright
