"Hangin' On"

It's true you have me twisted round your finger and it
seems that's where I belong

You know how to hold me to thrill me and control me

Just enough to keep me hangin' on

For now tomorrow and forever I guess I'm tied to you
right or wrong

My love keeps a growing cause your love keeps a
showing

Just enough to keep me hangin' on

A love that's strong as mine will make me do most
anything

Like hiding tears and heartaches and dreaming silly
dreams

You've got me where you want me you keep stringing
me along

Just enough to keep me hangin' on just enough to keep
