Oh, it's been such a long, long time,  
Looks like I'd get you off of my mind,  
Oh, but I cant, just the thought of you,  
Turns my whole world, misty blue.

Oh honey, just the mention of your name,  
Turns the flicker to a flame,  
Listen to me good baby  
I think of things we used to do,  
Then ah, my whole world turns misty blue.

Oh baby I should forget you,  
Heaven knows I've tried,  
Baby, and when I say that I'm glad were through.  
Deep in my heart I know I've lied  
I've lied, I've lied

Oh honey, it's been such a long, long time,  
Looks like I'd get you off of my mind,  
But I can't.  
Baby I can't just the thought of you,  
Then my whole world turns misty blue.

Oh honey, I can't just the thought of you,  
My whole world turns misty blue.

Oh, I can't just the thought of you my love,  
Oh; my whole world turns misty blue.
