One day when I came home at lunchtime I heard a
funny
noise Whet out to the back yard to find out if it was
One of those rowdy boys Stood there with my neighbor
called Peter And a flux capacitor
He told me he built a time machine Like the one in
the film I've seen Yeah yeah ..he said
(Chorus)
I've been to the year three thousand Not much has
changed
but they lived under water And your great great great
granddaughter Is doing fine
He took me to the future in the flux thing And I saw
everything Boybands and another one and another
And
another one Girls there with round hair like star wars
Float above the floor

We drove around in a time machine Like the one in the
film I've seen Yeah yeah..he said...
(Chorus)
I've been to the year three thousand Not much has
changed
but they lived under water And your great great great
granddaughter Is doing fine
(Bridge)
I took a trip to the year 3000 This song had gone multi
platinum Everybody bought our seventh album It had
outsold Kelly Clarkson I took a trip to the year 3000
This song had gone multi platinum Everybody bought
our seventh album
