chorus:

I'm gonna love you back to loving me again
make you feel the way you did back then
i can't let you go so why pretend
I'm gonna love you back to loving me again

I was telling lies and twisting up the truth
and i played around and broke your heart in two
I can't beleive that I've been such a fool
If yuo take me back, here's what I'm gonna do

(chorus)

(Instrumental)

please forgive me for all my lies
give a chance, I'll make it right
I realize the wrong I've done at last
now I'm picking up the pieces of the past

(chorus X2)
