You're my soul song
My everything that I do song
My pick me up when I'm blue song
That's why I sing all the time
You're my soul song
That's why I call you my solid gold song
Nothing in the world could ever go wrong
As long as you are mine

Never in the world have I seen anybody like you
In all my time
You give me a feel good feelin' through and through
And it's so fine
I'm up with the sun 'cause I don't wanna waste it
I love you so much I can almost taste it
I can't sit still when I look up and see you comin'
I start hummin'
Mm-hmm

You're my soul song
My keep me safe from all harm song
My shelter from the storm song
That's why I sing all the time
You're my soul song
My keep me warm when I'm cold song
Nothing in the world could ever go wrong
As long as you are mine

You're my soul song
My everything that I do song
My pick me up when I'm blue song
That's why I sing all the time
You're my soul song
And that's why I call you my solid gold song
Nothing in the world could ever go wrong
As long as you are mine
Soul song
My everything that I do song
My pick me up when I'm blue song
That's why I sing all the time
