One, two

A one, two, three K

I'm gonna go out dancin' every night

I'm gonna see all the city lights

I'll do everything silver and gold

I got to hurry up before I grow too old

I'm gonna take a trip around the world

I'm gonna kiss all the pretty girls

I'll do everything silver and gold

And I got to hurry up before I grow too old

Oh, I do a lotta things, I know is wrong

Hope I'm forgiven before I'm gone

It'll take a lotta prayers to save my soul

And I got to hurry up before I grow too old

I'm gonna take a trip around the world

Gonna kiss all the pretty girls

Who do everything silver and gold

And I got to hurry up before I grow too old

Heh, I'm gonna go out dancin' every night

I'm gonna see all your city lights

I'm gonna do everything silver and gold

And I got to hurry up before I grow too old
