Woman tell me where did you learn
To handle a man with so much ease
When all of his life, he used to doin like he pleased,
yeah
You got me doing all the good things
That a mans supposed to do
I know a lot of me who wish they had
A sweet little woman like you
Cause your kind is so hard to find

Woman tell me where did you learn
To make a man feel like a king
When all the time he knows
That he hasn't got a thing, yeah
Stand by my side and there is no limit to what I can do
I know some men whod give their right arm
To have a sweet little woman like you
Because your kind is so hard to find
Your kind is so hard to find
A sweet woman like you
Is hard to find
A sweet woman is hard to find
And that's why I'm so glad I got mine

Woman tell me what do I have to do
To make you really see
Just how much I really love you
And how much you mean to me, yeah
Don't be afraid to tell me, baby
Cause there's nothin that I wouldn't do
I know a lotta men who wish they had
A sweet little woman like you
Cause your kind is so hard to find
A sweet woman like you
Is hard to find
A sweet woman like you
Is hard to find
A sweet woman like you
Is hard so to find
A sweet woman like you
Is hard to find

A sweet woman like you
Is hard so to find
