Three nights ago I was at a disco  
Man, I wanted to bump, I was rarin' to go  
And this big fat woman, bumped me on the floor  
She was rarin' to go, that chick was rarin' to go  
Then she did a dip, almost broke my hip  
She was gettin' down, that chick was gettin' down  
She wanted to bump some more, but I told her, "no!"  
You done knocked me down once  
You done knocked me down once  
Said if you want to dance find you a big fat man  
Y'all both can get on down, y'all both can get on down  
Huh!

Chorus:

I ain't gonna bump no more with no big fat woman  
I ain't gonna bump no more with no big fat woman  
I ain't gonna bump no more with no big fat woman  
I ain't gonna bump no more with no big fat woman  
Lord, I ain't gonna bump no more with no big fat  
woman  
I ain't gonna bump no more with no big fat woman  
I ain't gonna bump no more with no big fat woman  
I ain't gonna bump no more with no big fat woman  
Somebody take her  
She's too big for me  
She'll knock me down  
She came over to me, snatched me out of my seat  
She wanted to get on down, still wanted to get on down  
I told her to go on and leave me alone  
I ain't gettin' down  
You done hurt my hip once  
I know what you'll do  
I ain't gonna bump with you!  
I don't feel like gettin' down  
Don't feel like gettin' down  
She just shook her head at every word I said  
She wanted to get on down  
That woman wanted to get on down  
She did that dip again and I hit the floor again  
She was gettin' down, Lord, that woman was gettin'  
down  
(Chorus)

Somebody take her, I don't want her  
She done hurt my hip, she done knocked
