Okay, dream of freedom

Under the moon in the dragon room  
Inside the mind of a soul confined  
Don't talk about soon in the dragon room  
Under the scream of a jet machine

Who knows in the hills  
Who knows when she will

When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out, oh yeah

Gold silk in a loom in the dragon room  
That silk that will be for the flag of the free

Who knows in the hills  
Who knows when she will

When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out, oh yeah

Yeah, China  
Whoa, oh, China  
Yeah, China

When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out

When all the hidden pity in the Forbidden City comes  
out  
When all the hidden pity in the Forbidden City comes  
out  
Oh, China
