Something there

I was patrolling a Pachinko
Nude noodle model parlor in the Nefarious zone
Hanging out with insects under ducting
The C.I.A. was on the phone, well, such is life

Latino caribo, mondo bongo
The flower looks good in your hair
Latino caribo, mondo bongo
Nobody said it was fair, oh

Latino caribo, mondo bongo
The flower looks good in your hair
Latino caribo, mondo bongo
Nobody said it was fair

Latino caribo, mondo bongo
The flower looks good in your hair
Latino caribo, mondo bongo
Nobody said it was fair

For the Zapatistas I'll rob my sisters
Of all the curtain and lace

Down at the bauxite mine
You get your own uniform
Have lunchtimes off
Take a monorail to your home

Checkmate, baby
God blessed us and our home
Where ever we roam
Now take us home, flaquito

Latino caribo, mondo bongo
The flower looks good in your hair
Latino caribo, mondo bongo
Nobody said it was fair

Latino caribo, mondo bongo
The flower looks good in your hair

Latino caribo, mondo bongo
Nobody said it was fair
Latino caribo, mondo bongo
