You asked me  
Do I love you  
That's a silly question  
Listen

If I didn't love you  
Would I call every day  
If I didn't love you  
Would I act this way

So why do you ask  
Do I really love you  
When it's really so clear  
Even strangers can see that I do

If I didn't love you  
Would I worry so  
Each and every moon  
When you come and you go

So just ask yourself  
Would I waste my time  
If I didn't love you  
Would I hope and pray  
You'd be mine

Oh, baby, oh, baby  
Oh, oh, oh, mmmm

If I didn't love you  
Would I miss you this much  
Put heart and soul to rot  
Just for your touch

Would I be a sling  
And a fool for your charm  
If I didn't love you  
Would I be right here in your arms

(If I didn't love you, love you)  
Baby (if I didn't love you, love you)

Sweet (if I didn't love you, love you)
