Three nights ago I was at a disco
Man, I wanted to bump, I was rarin' to go
And this big fat woman, bumped me on the floor
She was rarin' to go, that chick was rarin' to go

Man she did a dip, almost broke my hip
She was gettin' down, that chick was gettin' down
She wanted to bump some more, but I told her, no
You done knocked me down once
You done knocked me down once

Said, if you want to dance
Find you a big fat man
Y'all both can get on down
Y'all both can get on down, huh

I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman

Lord, I ain't gonna bump no more with no big fat
woman
I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman

Somebody take her
She's too big for me
She'll knock me down

She came over to me, snatched me out of my seat
She wanted to get on down, still wanted to get on down
I told her to go on and leave me alone
I ain't gettin' down, you done hurt my hip once

I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman
I ain't gonna bump no more with no big fat woman

Lord, I ain't gonna bump no more with no big fat

woman

I ain't gonna bump no more with no big fat woman

I ain't gonna bump no more with no big fat woman

I ain't gonna bump no more with no big fat woman

Somebody take her, I don't want her

She done hurt my hip, she done knocked me down

Done hurt my hip, she done knocked me down

Somebody take her, I don't want her

Say, Leroy, you can have this one, dude

This big fat woman, dude

I don't want her
