She wears loafer shoes, a dungaree
Red jacket shirt, if you please
My boogie woogie boogie woogie boogie woogie
country girl
Well I mean what I mean, my boogie woogie country
girl
Now she digs that music with a beat
Rocking 'n' rollin is her need
My boogie woogie boogie woogie boogie woogie
country girl
Well I mean what I mean, my boogie woogie country
girl
On Saturday night, she comes to town
She plays the jukebox, let her hair hung down
My boogie woogie boogie woogie boogie woogie
country girl
Well I mean what I mean, my boogie woogie country
girl
-Let 'em roll!-

She digs some cherries, she can milk a cow
Don't like squares, though daddy taught her how
My boogie woogie boogie woogie boogie woogie
country girl
Well I mean what I mean, my boogie woogie country
girl
She's up every morning about half past five
She likes to go fishing 'cause it keeps you alive
My boogie woogie boogie woogie boogie woogie
country girl
Well I mean what I mean, my boogie woogie country
girl
Now when she's dancin' the kids hang around
They dig my baby 'cause she really goes to town
My boogie woogie boogie woogie boogie woogie
country girl
Oh you dig what I mean, my boogie woogie country girl
Yeah swing it man! I like a good rockin' band
Yeah we need to knock a-knockin'
And I love to rock a-rockin'
Yeah, my boogie boogie woogie country girl

Early in the m'ning, yeahoowh!
Yeah come to me mama, hold me in your arms
Boogie woogie boogie woogie boogie woogie country
girl
-Play it man, oowh!-
-Yeah, rock it-
