Early birdcall morning

In a milkweed cloudy sky

Sets me free, without a warning

Wonder why

And if my eyes aren't open

And if I'm too blind to see

Would you show me birdcall morning

Set me free

And if you don't want to

I do, you know I do

Sing the song, sing along

It don't matter if you know the tune

That's the way it goes

I don't know, she makes me think I do

Comin' in, she comes again

She breaks ice, but she don't fall through

To the birdcall morning

And then the storm is upon me

And my ship is blown to sea

Would you show me birdcall morning?

Set me free, set me free
