Lady luck just let you down, she's just another girl

Grins and snickers all around

Imitation pearl, bones

Mass inflation, welfare line... gross economy

Trade it all for what's behind

Curtain number three

Gourmet restaurant, best in town

Don't know what you ate

Fresh last week is still around

Sodium phosphate, bones

Hi-class, jet-set, bourgeois scene

European style

Think they know the way to be

Missed it by a mile... of bones
