"Certain Situations"

Sometimes I can't make my mind up.
Don't know which way to go.
If I should do this or if I should do that.
I don't know in certain situations.

Sometimes a man can get in trouble.
Through no fault of his own.
Like when your girlfriend answers with a simple hello,
And you're in the shower and it's your wife on the
phone. Oh!

There's certain situations.
And sometimes luck don't seem to matter at all,
When you're hot, you're hot.
And sometimes you have to play the cards as they fall,
That's the only chance you got in certain situations.

There's certain situations.
And sometimes luck don't seem to matter at all,
When you're caught, you're caught.
And sometimes you have to play the cards as they fall,
That's the only chance you got in certain situations
