#1)

Somewhere along the way, I found the meaning
Woke up dreaming - along the way
It never quite seems the same when you awaken
And making up for the time is such a price to pay
And then they take the dream away
And it just ain't fair

REFRAIN)

So, help me through the night mama
Help me ease the pain
And tell me it's alright
Help me through the night, once again

#2)

That's the danger in pretending
Trying to defend yourself from someone else's war
Don't know what they're fighting for
And they just don't care, oh no
So, help me see the light mama
Open my eyes again
And tell me it's alright
Help me through the night once again
Would ya help me?
Could ya help me?
