Over and over

Just as plain as can be

Taken for granted

Out in the open

Easy to see

Taking my chances

I'm counting my shoes

I'm playing a game

Making it easy

Counting in two's

By the time you get started

You're already through

Just a matter of time till it shows

Like reading the headlines

Yesterday's news

Over and over

That's how it goes

Or haven't you heard?

Talking so fast

Only at the same time

Searching for words

It's all about the same thing
Underneath the disguise
Just like they say
If you're looking for answers
Open your eyes
And sooner or later
It's easy to see
Just a matter of time till it shows
Like keeping a secret
Ev'ryone knows
Over and Over
