Woke up again this morning  
To play another game  
It comes without a warning  
It's nothing you can name, nothing you can name

It's raining in the meadow  
Shepherd's gone to town  
Wolf has finished breakfast  
No-one else around, no-one else around

And we are feeling fine  
Still get lonely, I don't mind  
And now we're out of danger  
I guess they'll sound, all [Incomprehensible] in the  
fountain  
And wishing for a better year, for a better year
