"How High The Moon"

Somewhere there's music, how faint the tune
Somewhere there's Heaven, how high the moon
There is no moon above when love is far away too
Till it comes true that you love me as I love you

Somewhere there's music, it's where you are
Somewhere there's Heaven, how near, how far
The darkest night would shine if you would come to me
soon
Until you will, how still my heart how high the moon

How high, how high, high
High, high, high is the moon
How high is the moon
