I feel it,
I feel it,
I feel it,
I feel it in the air,
I feel it,
I feel it,
I feel it,
I feel it in the air

Could it be that way,
Fallen angels dancing over you,
Running from the day,
3 a.m. and something's moving you,

Can you imagine ever beeing so high,
Almost touch the sky,
There's a light that's shining from your eyes,
Never gonna die

I feel it in the air,
Hope is everywere,
I feel it in the air,
Joy is everywhere...

Just when you think it's gone,
Just when you can't go on.

All that's in your mind,
Miracles of catching stars in you,
Leave the past behind,
Memories of life that haunts you there,

Energy inside, though you don't care (love will find a way)
Holding on to all that keeps you there (love will see the day)

I feel it in the air,
Hope is everywere,
I feel it in the air,
Joy is everywhere...

Just when you think it's gone,
Just when you can't go on.

I feel it,
I feel it,
I feel it,
I feel it in the air,
I feel it,
I feel it,
I feel,
I feel it in the air

I feel it in the air,
Hope is everywhere,
I feel it in the air,
Joy is everywhere...

Just when you think it's gone,
Just when you can't go on.

I feel it in the air...
Hope is everywhere...
I feel it in the air...
Joy is everywhere...

I feel it,
I feel it,
I feel it,
I feel it in the air,
I feel it,
I feel it,
I feel it,
I feel it in the air
