Refrain:

Hey 1-2-3, everybody feel free

Hey 4-5-6, move on straight to the mix

Hey 7-8-9, let's do it one more time

Hey ready-set-go, the beat will never let you go

Come with me, I will show you a place to be

Come right now, no matter if you don't know how

Hey 1-2-3, com'on and get what you see

Hey 4-5-6, rock you straight to the kicks

Hey 7-8-9, let's do it one more time

Hey ready-set-go, we will never let you go

Come with me, I will show you a place to be

Come right now, no matter if you don't know how

Rap 1:

One by one, baby come on

If we are two of two, our dreams they come true

Show me 4 on the floor, that's what we're waiting for

And if you dance now with me, everybody feel free

Hey you, tell me what you want to

Tell me what you need to,

Tell me where you got to, all together

Every everybody, tonight we start the party, all together

Rap 2:

Move on up, move on up to the top

Fell the groove is hot, let the beat never stop

Shout baby shout, when you here the music loud

Give me five, and don't pay the price

Hey you, tell me what you want to

Tell me what you need to,

Tell me where you got to, all together

Every everybody, tonight we start the party, all together
