And I  
Was thinking  
About the things you said to me  
Was it all just a lie anyway?  
You know that  
I'll try to be  
The best that I can be  
If it's not good enough I know why  
It gets hard sometimes  
You think everything's fine  
But it still  
All goes wrong  
It gets hard sometimes  
I thought everything was fine for too long
