I was there on the day that you died  
And I'm the only one here as they bury your hide  
And this is the last time I'll be by your side  
Well the world is one soul fewer  
The preacher says the last rites so well  
Says you're going to Heaven and not to Hell  
But he has to say that and I know damn well  
That you're Satan bound

REFRAIN:

So if you go to Hell  
Would you get me something nice  
Maybe a T-Shirt or maybe a hat  
Or maybe some loaded dice  
And if you go to Hell  
Would you at least send me a card  
So I'll know how you're doing  
And I'll know where you are  
Well you never did care how much you did drink  
And you never did care what the others did think  
And I've got a feeling that now that you're dead  
You won't even remember my name  
I used to write and you'd never write back  
I'd call on my card and you'd call me collect  
You never bought gifts and you never left tips  
But it's never too late for a change

REFRAIN

So go to Hell you bastard  
Live painfully ever after  
You'll burn for all eternity  
No one rides for free  
There's only one way to escape Satan's flames  
If you're willing to pay to clear your bad name  
This is the place and now is the time  
So come on give me a sign

REFRAIN

Burn for all eternity and save a seat for me
