It doesn't matter that
I'm falling apart at the seams
Try not to notice when
I say I don't know what you mean
It makes no difference when I
Try hard to keep my mouth shut
And I don't care how bad I get stuck
Anymore

Don't ask why
I'm exhausted today
I lost it today-hey-hey
Don't start to cry for me
I don't deserve you anyway
What does it mean
When you say-hey-hey
I don't know you anymore?
Why do you leave?
I don't want you to go
I want you to kno-o-ow
Don't turn your back on me
I want you to come to the show
Please tell me why
I feel so lo-o-ow
Feels like I'm losing you so

This is my last goodbye, so long
This is my last goodbye, so long
This is my last goodbye, so long
(This is my last goodbye, so long)
This is my last goodbye, so long
(This is my last goodbye, so long)
It doesn't matter that
I'm falling apart at the seams
Try not to notice when
I say I don't know what you mean
It makes no difference when I
Try hard to keep my mouth shut
And I don't care how bad I get stuck
Anymore

This is my last goodbye, so long

This is my last goodbye, so long
This is my last goodbye, so long
(This is my last goodbye, so long)
This is my last goodbye, so long
(This is my last goodbye, so long)
So long
So long
(This is my last goodbye, so long)
So long
So long
(This is my last goodbye, so long)
So long
