Some things happening
But I dunno what yet
I just need some more time alone
We've been sitting round
Talking like we just meet
You never call me on the phone

Whats going on? (Whats going on?)
There's something wrong (There's something wrong)
I think i'm better off on my own

You've got to move fast,
If you wanna get in
I know i'm gonna lose and its wearing thin
I don't understand,
All the things that you do
I can see the reason and so can you
(yeah, i know you can too)
Some things happening
But I dunno what yet
I just need some more time alone
We've been sitting round
Talking like we just meet
You never call me on the phone

Whats going on? (Whats going on?)
There's something wrong (There's something wrong)
I think i'm better off on my own
