In this thirsty land
Where I ache and yearn
To weak to stand
Will I ever learn
That I have nothing without you
No I am nothing without you

In this lonely place
Where I am so cold
Be the fire of grace
Burning in my soul

And I have nothing without you
No I am nothing without you
Jesus, you are the one I love
You are the only thing that melts my heart

Jesus, I have wondered so far
Draw me to where you are
My first love
In my Brokenness, I run to you
In my faithfulness, I am redo

And I have nothing without you
Jesus, no I am nothing without you
Jesus, you are the one I love
You are the only thing that melts my heart

Jesus, I have wondered so far
Draw me to where you are
My first love
Without the song I used to sing
Take my heart and everything

I surrender all of me to you
Without the song I used to sing
Take my heart and everything
I surrender all of me to you
To you uuu
Hold on

Jesus, you are the one I love
You are the only thing that melts my heart
Jesus, I have wondered so far
Draw me to where you are
My first love
My first love
My first love
You are my first love
My first love
