You were broken for me and now
I'm broken for you as a living sacrifice
You were an offering and now
I offer all of me as a living sacrifice

Chorus:
Bread of Life come feed my soul
Living Water overflow
Holy Spirit consume all of me
I wanna be a living sacrifice

You remember me;
I will remember you as a living sacrifice
How you suffered for me
and I will suffer for you as a living sacrifice

Chorus:
Bread of Life come feed my soul
Living Water overflow
Holy Spirit consume all of me
I wanna be a living sacrifice

Bridge:
O Jesus you were pierced for me
You were crushed for my iniquity
Your punishment has brought me peace and by Your
wounds I'm free

Chorus:
Bread of Life come feed my soul
Living Water overflow
Bread of Life come feed my soul
Living Water overflow
Holy Spirit consume all of me
I wanna be a living sacrifice!!

I wanna be a living sacrifice Lord!
I wanna be and I'm gonna be a living sacrifice.
