You hide me
You hold me
You cover me
With mercy
And beauty
You're loving me

I don't deserve Your love
You give it anyway

Father draw me close and sing to me the song of
Your great love and may it melt the things that hold
My heart 'til You're the only one, the only one

I'm resting
In You Lord
You are my strength
In weakness
You mold me
'til I'm complete

Early in the morning
My heart will wait for You
