From the beginning,
You are the word of life
The only one
Here in the darkness
You are the light that shines
The only one

You traded the glory of heaven
To reach out your hand to me

I believe in You
I believe in You
Your cross has freed me so completely
Jesus You're faithful and true
I believe in You

Through all the ages
You are the great cornerstone
The only one
And for all time
You are the King on the throne
The only one

Soon You will ride down from heaven
And take me far away
I believe in You
I believe in You
Your cross has freed me so completely
Jesus You're faithful and true
I believe in You

I lift my heart
I lift my hands
Your word is life
Your word will stand
I lift my heart
I lift my hands to You

I believe in You
I believe in You
Your cross has freed me so completely
Jesus You're faithful and true

I believe in You
You're love revealed and I am healed
Jesus you've broken through
I believe in You
Yeah yeah
I believe in You
Oohhhh uuuuu
