You were broken for me and now  
Iâ€™m broken for you as a living sacrifice  
You were an offering and now  
I offer all of me as a living sacrifice

Chorus:  
Bread of Life come feed my soul  
Living Water overflow  
Holy Spirit consume all of me  
I wanna be a living sacrifice

You remember me;  
I will remember you as a living sacrifice  
How you suffered for me  
and I will suffer for you as a living sacrifice

Chorus:  
Bread of Life come feed my soul  
Living Water overflow  
Holy Spirit consume all of me

I wanna be a living sacrifice

Bridge:  
O Jesus you were pierced for me  
You were crushed for my iniquity  
Your punishment has brought me peace and by Your  
wounds Iâ€™m free

Chorus:  
Bread of Life come feed my soul  
Living Water overflow  
Bread of Life come feed my soul  
Living Water overflow  
Holy Spirit consume all of me  
I wanna be a living sacrifice!!

I wanna be a living sacrifice Lord!  
I wanna be and Iâ€™m gonna be a living sacrifice.
