O Lord our Lord
How majestic is Your name
The hosts of heaven lift their songs of praise to You
O Lord our Lord
Your holy throne it thunders with worship
As the angels sing worthy is Your name

CHORUS

But I want to sing louder than the angels
An ocean of praise I will bring to You

And I want to sing louder than the angels

A thousand songs of praise I will sing

O Lord our Lord
How majestic is Your name
The reason why I sing the angels long to know
O Lord our Lord
Redeeming love has captured me
And may my life declare the glories of Your name

BRIDGE

O Lord our Lord
I will sing
A thousand songs
I will sing
