When the storm comes
And the rain falls
I'm calling out Your name
When the wind blows
And the earth moves
I'm calling out Your name

I'm riding on the wings of peace
That passes understanding
I know Your grace will carry me

I know Your love surrounds me

I stand on the Rock of my salvation
It's You, it's You Lord
I'm resting on a sure foundation
It's You, it's You Lord
I will not fear for You are near
You're the Rock of my salvation
