Oh Lord You have searched me
And You know me
You know when I sit and when I rise
You perceive my thoughts from a far
You discern my going out and my lying down
You're familiar with all of my ways
Before a word is on my tongue
You know it Lord

Where can I go from Your Spirit?
Where can I flee from Your presence?
If I go up to the heavens You are there
You are there
You are there

Oh Lord Your light shines
In my darkness
Your presence surrounding my soul
And Your mercy will not let me go
And Lord I will praise You all my life
With wonder You've fashioned my heart
And I worship You for who You are

If I rise on the wings of the dawn
Even there Your hand will guide me
Your right hand will hold me fast
