Your love is deep
Your love is high
Your love is long
Your love is wide

Your love is deep
Your love is high
Your love is long
Your love is wide

Your love is deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

Deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

And your love is deep
Your love is high
Your love is long
Your love is wide

Your love is deep
Your love is high
Your love is long
Your love is wide

Your love is deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

Deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

Who shall separate us
Who shall separate us from your love

Nothing can separate us
Nothing can separate us from your love

'Cause your love is deep
Your love is high
Your love is long
Your love is wide

Your love is deep
Your love is high
Your love is long
Your love is wide

Your love is deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

Deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

Deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap you fill

It's deeper than my view of grace
It's higher than this worldly place
It's longer than this road I've traveled
Wider than the gap you fill
