Is this total confusion
In a world of illusion
Or do I have to face the truth

Can you see what Iâ€™m seeing
Do think it is real then
Look in my eyes and tell me why

Take the pain and go away to see
Why the good times never last
Is it real or is it meant to be
Or could it be there in the past

You give me
Good love
And you give me
Everything I want

You give me
Good love
And you give me
Everything I need

Everything I need
Everything I need

Canâ€™t you feel what Iâ€™m feeling
Do you think it is real then
Why do you say itâ€™s not enough

On the night I was dreaming
About the day you were leaving
Thatâ€™s why Iâ€™ll never give you up

Take the pain and go away to see

Why the good times never last
Is it real or is it meant to be
Or could it be there in the past

You give me
Good love

And you give me
Everything I want

You give me
Good love
And you give me
Everything I need

Everything I need
Everything I need
Take the pain and go away to see
Why the good times never last
Is it real or is it meant to be
Or could it be there in the past

You give me
Good love
And you give me
Everything I want

You give me
Good love
And you give me
Everything I want (I need)

You give me
Good love
And you give me
Everything I want (I need)

You give me
Good love
And you give me
Everything I need
