I tote guns I tote guns
I make number ones
I tote guns I tote guns
I make number ones
I tote guns I tote guns
I make number ones

knock knock I say who is there and I reply
come on man I know who I be .. check my ..
I am so full of myself .. with the balls rap in the ones I
used to pull up myself
guess that's why a lady .. pull out my clothes pull of and
give her a mouth full of â€¦
I am in the zone like 2 3 man I am something they can't
hold like 2 3
after .. 2 3 ain't enough bring your own label you know
to chew me like and old bagel
I told dad put your spine on a cold table you have been
a bird for years mister .. changel
I am the truth and you may not like that but the homie
next to me they are on â€¦

I tote guns I tote guns
I make number ones
I tote guns I tote guns
I make number ones
I tote guns I tote guns
I make number one

I am the best I can't lie
my flow is a work out if I can't lie
I don't even got to try man I squad with hip hop when
my ..
new york rap I do the dance and all that I am gonna fall
back keep my .. pushing
...is for my homie rocking on a stew with a stash and a
pocket full of â€¦
now look at the â€¦.see their name busting cause they
see me in the rain â€¦
shut gun to death like â€¦ I am getting money I am just
trying to chill

but I am the seventh ...i ain't feel .

I tote guns I tote guns
I make number ones
I tote guns I tote guns
I make number ones
I tote guns I tote guns
I make number one
