It ain't no fun if the ... can't have none  
It ain't no fun if the ... can't have none  
problems with orgies, now you know who I'm that  
...laugh in the mirror, yeah nigger fall back  
I lost my marbles, lost my scrupols, lost my beans  
lost my temper loosing everything man I'm so lost  
flight 815  
look at how time flies I'm 45 before 8:15  
If I stay this mean I'ma appear nine deep and the one  
to the 993  
I'ma make this cream, ...blowing 2004 I'ma take this  
seem  
my storm with the waves on me, when I'm going too  
look up  
everything I say in between 2 songs I make the shape  
of a letter  
J O E L, don't forget the second L man I hate it when you  
spell it that way  
Listen to the great rhyme and I'm great as a...time  
Add another La cause without power on a base line,  
what the deal?  
Now want me to give it real, want the shit to get killed?

Want me to write it a will? That's really how you feel?  
Hi Jill, I'ma meet a couple of spears for my grill  
but I better feel, but I better ... so they saw the hills  
...let's make a will  
You know about Sebastian, in my passion for rapping  
get your had bashing for bad fashion will happen if you  
laughin  
...crack it...double the action with no package...smack in  
your face  
Then I suggest you relax, ...you hear they ...like you're  
the best ...  
Don't get dumbo with the mumbo jumbo I'm a violent  
mambo like a track with Omega  
Street fight ... the guy never had to scrap with vega...  
listen to me, listen to him  
it's like ps4 going back to sega  
Nigger shut up, you still play sega nigger, do I don't  
Nigger you still play genesis, nigger, no I don't hahaha.
