[Chorus]

Nissan honda chevy (3x)

My stash is never empty baby Nissan honda chevy (3x)

The D's never get me

in my hoopdy i be swerving
the publics who im serving
boost phone forever chirpin
i be out there putting work
know them dirty boy be lurking
if they nab me then it's curtain
so when i go see a person i spin the block
so i'm certain that it's cool i'm no fool
see Raul is more that reckless
so i meet him when it's busy
at the meeker morgan exit of the BQE
near mickey D's
and occasionally treat myself to a little nice fish and
cheese
I'm really really in the street
being broke is my enemy
teacher said I'm dumb so i dropped out and i know
chemistry
i make that soft get hard
and meet my homie Vito in the parking lot of home
depot of northern boulevard
i got my (?) down packed
i'm about my stacks
and my mouth don't chatter
i let my bout-bout clap
but i ain't with that though
im tryna get that dough
beamer benz and bentlys no i stay low in that

Nissan honda chevy (3x)

My stash is never empty baby Nissan honda chevy (3x)

The D's never get me
