Chorus:

Listen, one shot, two shots, three shots oh!  
Got us right to the morgue.  
Four shots, five shots, six shots, Gees  
That's for the wife and the kids!  
I don't care about the money or the shit on your chest,  
Niggers get killed for less!  
And all that shit you've been talking,  
Man we ain't impressed,  
Niggers get killed for less!

..in a high definition,  
You could probably find me on the big screenâ€¦  
Ain't this a bitch, manâ€¦  
And all the dirty done, how the fucking it gets solved,  
nigger?  
Get in line, I'm â€¦on the table,  
..make the competition hate you,  
A couple guys on the block now they wait you,  
â€¦to pull the trigger if I say shoot.  
One shot, two shots, another nigger down,  
See us searching but its face is getting down, nigger.  
See this crazy on the streets it's the Bronx, nigger  
You hear the shots fire but police won't respond.  
Where we are from niggers, â€¦  
â€¦your little sister right out in your face, nigger  
â€¦  
Niggers getting hot for twenty years still thirsty.  
I guess ..  
Now that's what I'll callâ€¦  
Get it?  
Who else but cocaine and ..could have been myâ€¦  
Life is for the living, get a chauffeur,  
Find yourself a bitch that the moneyâ€¦  
We set murder, use a victim, boy!  
If that ass gets flashy, we'll stick it boy!

Chorus:

Listen, one shot, two shots, three shots oh!  
Got us right to the morgue.  
Four shots, five shots, six shots, Gees

That's for the wife and the kids!  
I don't care about the money or the shit on your chest,  
Niggers get killed for less!  
And all that shit you've been talking,  
Man we ain't impressed,  
Niggers get killed for less!

So don't die over nothing, like your ass,  
Cause on my block I was the doc before  
I had to  
See this ain't no fabrication,  
Never called me back, I filled so many applications,  
Watching these corny niggers come back, that was  
aggravation,  
So I hit the corner, told them, bit it like they  
masturbated.  
I thought they had the patience,  
it took too long to respond, so I had to  
He told me my dreams; they had to stay imagination,  
Clear my from my graduation.  
screw my diploma, I'm going, but I can't  
College is holic, cause every grade I had is amazing,  
It was school books and school looks when I passed  
the  
School girls are like I'm a girl, look who this bastard  
is  
Long story short, man I have these hate me,  
I  
I come from a place where you get your  
And a brook with the only thing shooks on a stove  
marinates you  
So when they say congratulations,  
Over to respect my paddy's game,  
No, I'm not going back!  
I'm aiming like:

Chorus:

Listen, one shot, two shots, three shots oh!  
Got us right to the morgue.  
Four shots, five shots, six shots, Gees  
That's for the wife and the kids!  
I don't care about the money or the shit on your chest,  
Niggers get killed for less!  
And all that shit you've been talking,  
Man we ain't impressed,  
Niggers get killed for less!
