I'm just sitting in my living room figure how freestyle to a different tune you know flexin the muscle 'cause the way by you .. is the best you..down on their mind despite the hundred thousand of times I pull my pants down with this..my ass they still looking around tryin to find something better but is only one yeah on desire find .. 8 track..seat this downloads I'ma space it .. and going right there I ain't taste it yet ma I ain't plan know them jets like them.. there I'm still..window in the..off the car, he wrote pass but when I come from ... so I seat here over the .. before slow the how...I was a no man warrior roaming to a store with no .. poppin up the old..on with the truth shop I was John looking proof still cock still bustin with aims still running hip hop with my government name still walk through the crowds I ain't .. because if I give you a hug it ain't ..pain you know it ..and run through your veins your..tangle like you're f*ckin with cane your eyes won't see shit call em underground and get that's a .. you rappers ain't comfortable but all this ships go ahead and ..on my ..shit I don't care if you a giant you look 4 6 in the eyes of a lion you look call me .. and I ain't..source, so make one .. move to get started my great one fall from .. and I was cooking with my.. every time I .. is still made too way way back the edge still high when it .. they passed it it's a rap .. the hustle of a .. man I ..it means madness y'all niggas is coward homie I'm about it 'cause I'm livin just a model yeah and when I'm out every day, every day it's a show never run count on me to say anyway ain't nothing to say

can't see em 'cause you contact yeah

what's up
