You've got the boots, You've got the buckle
You've got the Stetson's cowboy hat
You've got the creases in your Wranglers, and the
Skoal ring in the back
You've got the two-step and the shottage
You've got the waltz down to a T,
Hey you're sure looking good cowboy,
Now all you need is me.

You've got the horse, you've got the trailer
You've got the King Ranch pick-up truck
You've got the beer iced down in the back seat,
And the George Straight all cranked up
You've got the tank full, and the night off
You got no where you've got to be,
Hey you're sure looking good cowboy,
Now all you need is me.

Riding right beside you, everywhere you go
In your arms, out on the dance floor, Cheering for you
at the Rodeo

You've got the land, you've got the cattle
You've got the thousand acre spread
You've got the brand, the barn, and the bunk house
And the king sized cedar bed
You've got the view of Oklahoma, that any girl would
like to see
Hey you're sure looking good cowboy,
Now all you need is me.

Riding right beside you, everywhere you go
In your arms, out on the dance floor, cheering for you
at the Rodeo

You've got the smile, you've got the dimples
You've got the butt as cute as could be
Hey you're sure looking good cowboy,
Now all you need is me.

All you need is me
